

Programi PINTA d.o.o., a private company founded in 1987, is registered for the activities of management training, consultancy services and project management.

The company has helped leading Croatian companies, including ones with foreign owners, to obtain certification for ISO 9001 and ISO 14001 (environmental management systems). The firm is very proud that its list of clients includes among others DHL International, ICI International (Heilderberg Zement), Zagrebacka pivovara (Interbrew), Erste & Steiermaerkische Bank, Lura, TCK (Holderbank), and several county administrations in Istria and Vindija.

Ana Babic and Dobrivoj Keber, who own and manage programi PINTA d.o.o., have experience in establishing and managing a diverse range of projects. They opened the first independent radio and TV stations in former Yugoslavia (Radio 101, Zagreb and TV Z3, Zagreb) and have organised student theatre groups and international theatre festivals. In addition to other cultural activities, they managed the Student Centre of the University of Zagreb and opened two galleries, a multimedia centre, two cinemas and two disco-clubs. They have operated a private business for the last 13 years.

The scope of their past and current activities and experiences enables programi PINTA d.o.o. to reach and engage a wide range of people with expertise in different fields, as well as to organise and motivate them for work towards common goals and projects.
